Notes

Our pizza bases are made on site each day by our skilled staff. We use high quality flour, the finest unrefined caster sugar, extra virgin olive oil, a little bit of salt, yeast and water. That's it; we don't use anything else, no additives or preservatives. It is not the cheapest way, neither is it very quick, but you can really taste the difference.

We operate our own delivery service and use the latest heated bag technology that allows us to deliver our pizzas to you piping hot. For more information about the areas we deliver to please visit our website or give us a call and a member of staff will be more than happy to answer any questions you may have.

PIZZA PLANET restaurant

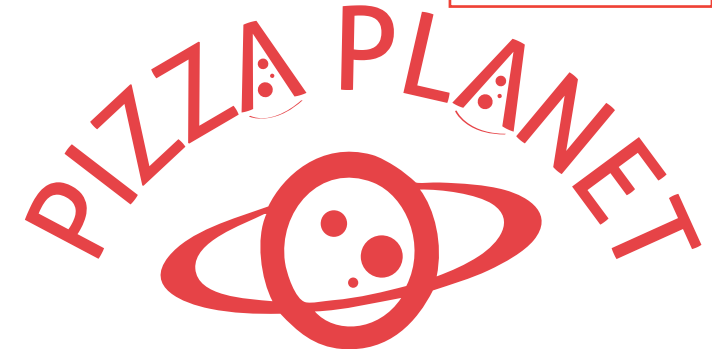

Enjoy our menu in a family friendly restaurant. We are fully licensed, so whilst the kids are drawing and colouring in you can enjoy a nice cool bottle of beer or a glass of wine. The entrance to our restaurant is situated at the rear of the building. Please call us to book your table on 01548 856655 to avoid disappointment.

Please be aware that our products may contain GM ingredients and traces of nuts
